

MGH Memorial Garden

Honoring Past MGH Employees, Physicians and Volunteers

The MGH Memorial Garden, in the courtyard east of the cafeteria, was built in memory of former Plant Engineering Supervisor, Fred Gause and made possible by a generous donation and support from the MGH Auxiliary.

The garden honors MGH employees, physicians and volunteers who have passed away, by displaying their names and departments on engraved bricks set around the base of a tranquil fountain.

Bricks can be purchased for a minimum donation of \$50. Please see the form below or contact Volunteer Services at 765.660.6410 if you have additional questions.
