

MGH VISITOR RESTRICTIONS

Beginning **Tuesday, March 17, 2020**, for the safety of our patients, visitors and staff, **no visitors** will be permitted to the acute care (inpatient) areas of the Hospital.

Exceptions will be **considered** in the following areas where a patient **may** receive **one (1) designated visitor**:

- **Emergency Department (ED)**
- **Surgery**
- **Pediatrics**
- **Special Care Nursery**
- **While a patient is being admitted to the Hospital**

For Obstetrics and end of life situations, two (2) visitors will be allowed per patient.

All visitors for these designated inpatient areas should enter the Hospital:

<u>Days of Week</u>	<u>Entry Door</u>	<u>Time</u>
Monday thru Friday	Main Entrance	7:00am – 8:00pm.
Saturday and Sunday	ED Entrance	

ALL visitors must **show identification** at check-in (to verify they are the patient's designated visitor), complete a **respiratory illness risk screening** and wear a **visitor badge** at all times to receive authorization to enter the Hospital.
