

ACGME Certification for Marion Health's New Family Medicine Residency Program

We are thrilled to announce a significant milestone in the journey of Marion Health as we proudly achieve ACGME (Accreditation Council for Graduate Medical Education) certification for our new Family Medicine Residency Program. The Marion Health Family Medicine Residency Program is a groundbreaking initiative led by Marion Health CEO Stephanie Hilton-Siebert that promises to shape the future of healthcare in our community. At Marion Health, we understand the critical role that family medicine plays in providing comprehensive and compassionate care to individuals and families. Introducing our Family Medicine Residency Program reinforces our commitment to delivering the highest standard of care.

Key Program Highlights:

- 1. Quality Education:** Our program is committed to providing a rigorous and comprehensive education in family medicine. Residents will benefit from the expertise of our esteemed faculty, exposure to diverse patient populations, and cutting-edge medical technologies.
- 2. Clinical Excellence:** Marion Health boasts state-of-the-art facilities and is deeply integrated into the community, offering residents ample hands-on experience in a real-world healthcare setting.
- 3. Patient-Centered Care:** We believe in the power of patient-centered care. Our residents will be trained to build strong relationships with their patients, emphasizing communication, empathy, and respect.
- 4. Research Opportunities:** Marion Health is dedicated to advancing the field of family medicine. Our residents will be able to engage in research projects and contribute to developing innovative healthcare solutions.
- 5. Community Engagement:** We are committed to being active participants in our community. Residents will be encouraged to engage in community outreach, health education programs, and wellness initiatives.
- 6. Work-Life Balance:** We recognize the importance of a healthy work-life balance for our residents. Our program is designed to support the personal and professional growth of our residents, faculty, and staff.

Applications for the Marion Health Family Medicine Residency Program are now open, and we are seeking candidates who are passionate about family medicine and eager to impact our community's health and well-being positively. If you know of someone who might be interested, please contact:

Dr. Raul Zambrano MS MD FACHE FAAFP

Program Director
